## **Program Announcement Instructions**

Annually, Sponsors need to announce the availability of Summer Food Service Program (SFSP) free meals. The type of announcement(s) you will need to use depends on the type of sponsor you are (camp or non-camp). For camp programs, the program announcement has been incorporated into the **mandatory** SFSP Application For Free Meals. Therefore, camps do not need to take any further action.

All other sponsors must use a program announcement. The sample program announcement provides the essential information that must be contained in a Program announcement. If possible, the media release should also indicate the location of sites and the meal type (e.g. breakfast, lunch, snack). This announcement must be completed USING YOUR LETTERHEAD and sent to the local news media serving the area from which the site draws its attendance (i.e., newspapers, radio or TV stations). It does not have to be printed or broadcast; you need only make it available to the news media.

### **Special Note Regarding Educational Programs for Migrant and Disabled Children**

In your media release, do not refer to yourself as an education program for migrant or disabled children. This media release is to announce the availability of SFSP meals to all children, not the fact that you are providing a migrant or special education program for disabled children. Use the name of the school that houses the education program for the summer in the media release. You should include in your media release a statement that welcomes neighborhood children to participate in the SFSP.
